

Farhana Azgar

Senior Frontend & UI/UX Developer

farhana.azgar@example.com | +880 1912-112233 | Dhaka, Bangladesh | portfolio.example.com

PROFESSIONAL SUMMARY

Creative and performance-focused Frontend Engineer with 5+ years of experience building accessible, high-performance web applications in Next.js, React, and Tailwind CSS. Obsessed with micro-interactions, responsive design systems, and sub-second Core Web Vitals.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Frontend Frameworks:** React 19, Next.js (App Router), TypeScript, JavaScript (ES6+), HTML5, CSS3/Sass
- **UI & Design Systems:** Tailwind CSS v4, Radix UI, Shadcn UI, Framer Motion, Storybook, Figma to Code
- **Performance & State:** TanStack Query, Zustand, Redux Toolkit, Web Vitals Optimization, Lighthouse Auditing (95+ score)
- **Testing & Tooling:** Vite, Jest, React Testing Library, Playwright, Git, Vercel CI/CD

PROFESSIONAL EXPERIENCE

Lead Frontend Developer | PixelCraft Interactive, Dhaka (2022 - Present)

- Engineered the complete design system and component library in React & Tailwind CSS utilized across 6 production web apps.
- Refactored legacy single-page application to Next.js with Server Components, improving First Contentful Paint (FCP) by 55%.
- Implemented WCAG 2.1 AA accessibility standards, achieving 100% compliance across all core customer conversion funnels.

Frontend UI Developer | Creative Wave Digital, Dhaka (2020 - 2022)

- Developed 20+ responsive web applications with smooth Framer Motion animations and dark/light adaptive theming.
- Collaborated closely with product designers in Figma to translate complex interactive wireframes into pixel-perfect code.
- Optimized image assets, bundle chunks, and font loading, cutting total JavaScript payload size by 48%.

EDUCATION

Bachelor of Science in Software Engineering | North South University (2016 - 2020)
